By car:

From Budapest, Hungary

- Take E71/E65 to the Croatia/Hungarian border. When you reach Croatia take Highway 3 to Zagreb (highway 3 is also labeled E65). Continue on the Highway around Zagreb and head towards Karlovac. The Highway continues to the northwest side of Karlovac and heads toward Rijeka. You will want to take the exit that is marked for Bosiljevo 1. (This exit is the first one after you pass Karlovac.). You will exit to the right, and then go over the highway to a tollbooth. After paying at the tollbooth, drive to the "T" in the road and go right towards Slovenija.
- You will come to a small village called Bosanci and need to take a left at the intersection. Severin na Kupu is the 5th village after Bosanci. When you reach Severin, you will turn right on the small road in front of the post office. (If you pass the gas station you have gone too far.) The DPB Kuca is about 500 m down the small road on the left. There is also an old castle wall on the right.
